The quality system file has been assessed, approved and is subject to continuous Surveillance according to the Council Directive on **Personal Protective Equipment Directive (PPE) (2016/425)**

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed
3. The certificate validity is conditioned by positive results or surveillance audits. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production. .

Validity of this certificate can be verified at www.eurocertverify.com

Date of Certification	24th August 2023
1 st Surveillance Audit Due	23rd August 2024
